Students eligible for VA education benefits who have had previous training may receive more than the Institute's allowed transfer hours. Credit will depend on the student's ability to perform practical work and his/her theoretical knowledge. The school must receive a certified detailed transcript of previous hours and grades from all areas of study prior to the scheduled start date to receive any credit and to allow adequate time for testing. There is no transfer of hours between programs within the school due to the Texas State Board regulations.

Re-Enrollment Policy

Former Diamonds Students who have withdrawn or dropped and wish to re-enter, must request approval from the School Director. The request will be reviewed and a decision made within 21 days of the request. A student may be accepted for re-entry on probation with specified criteria required. A reentry request will be denied if the SAP calculation concludes that the student cannot accomplish the remaining program hours within the maximum time frame (based on the student's former and projected scheduled hours). A student will re-enter in the same SAP status they earned at the time of his or her withdrawal.

All Re-entering Students will be charged a \$50 re-entry fee. The settlement calculation for the former enrollment will be adjusted to reflect charges for actual hours attended. The student will be responsible for any balance owed from the former enrollment. Students who re-enter more than 30 school days after the original exit date may be evaluated scholastically in the same manner as a transfer student to determine class level assignment. Tuition rates will remain the same as when withdrawn if student re-enters within 180 days. Students who re-enter after 180 days will re-enter at the current tuition rate at time of re-enter. Arrangement for satisfactory payment of any applicable balance owed under the previous enrollment(s) must be made prior to re-entry. Students who have withdrawn or have been terminated twice within the first 50% of the program may not be considered for re-enrollment. If student has withdrawn or has been terminated after completing 50% of the Program, the student will be allowed to re-enter any time during the forty-eight (48) month period following the date of withdrawal or termination. However, students who have been terminated may be required to wait 30 days. Any re-entering student may be accepted for Re-entry on probationary terms.

All incoming students will receive an orientation either prior to the beginning of class or on their first day of school. This orientation is required for all incoming students and will discuss our mission, values, student policies, and curriculum, how you will progress, and meet key school personnel.

Non-Discrimination

Students request for accommodations will be considered under the Reasonable Accommodation Policy and in compliance with the ADA as amended and Section 504 of the Rehabilitation Act of 1973 without discrimination. Reasonable accommodations will be made on an individual basis. However, it is the responsibility of persons with disabilities to seek available assistance and make their needs known at the time of enrollment. Documentation to support the disability must be provided to the College at the time of the request. Information pertaining to an applicant's disability is voluntary and confidential. Prompt action will be taken to resolve the conflict.

The request should be made at least four (4) weeks in advance of the date needed. The School Director will respond within two (2) weeks of receiving the request. The school complies with the Americans with Disabilities Act of 1990 and is wheelchair accessible. The school will provide reasonable modifications and/or accommodations for students with disabilities depending on the student's need.

The initial meeting, formal request, and response from the school must take place prior to the pre-enrollment process.

Note: In order to be eligible for Title IV, you must be able to benefit from the reasonable accommodations and be able to take the state board-licensing exam.

Financial Aid Planning

Financial Aid Department

Our Financial Planning Department is open to students during normal business hours. Students are encouraged to call if they have any questions or need help regarding their financial planning.

Financial Assistance Programs

Diamonds provides financing plans for students who wish to pay on a payment plan and will assist students in developing financial plans to pay for their education through United States Department of Education's Federal Student Financial Assistance Programs (Title IV funding), Department of Assistive and Rehabilitative Services (DARS) and Veterans Education Benefit. The Financial Planning staff will assist students in developing financial plans to pay for their education through a combination of student/family contributions and financial assistance, if eligible.

Payment Agreement

All payments are the responsibility of the student and are payable as stated on the Student Account Payment Contract. Students may be required to make monthly payments while attending school. Payment amounts are based upon the Program in which the student is enrolled. Any change in financial situations which may affect a student's ability to make scheduled payments must be discussed with the Business Office.

Federal Assistance Programs

The packaging of financial assistance is determined according to guidelines set by the U.S. Department of Education. A variety of programs are available for students qualifying for assistance:

Federal Pell Grants:

Federal Pell Grant: Intended to be the basis of the financial aid package and may be combined with other aid to meet the full cost of attendance. The Federal Pell Grant is a need-based aid program in which an eligible recipient does not have to repay the funds received.

Federal Direct Loan Program: These are low interest loans for undergraduate and graduate students that are made available through the Federal Government. This program includes the Federal Direct Subsidized, Federal Direct Unsubsidized and Federal Direct Plus loans. There are grade level progressions and loan limits used for the administration of these loans.

The following Direct Loans are made through the William D. Ford Federal Direct Loan (Direct Loan) Program, which is administered by the U.S. Department of Education:

Federal Direct Subsidized Loan: This is a need-based-loan for which the Federal government subsidizes the interest until repayment begins and during any period of deferment. This is a loan and recipients must begin making payments at the end of their six-month grace period.

Federal Direct Unsubsidized Loan: This is a non-need-based loan for which the Federal Government does not pay the interest subsidy. Interest accrues during all periods. The recipient has the option to pay the interest or to defer payment of the interest for the grace period. This is known as capitalization. This is a loan and recipients must begin making payments at the end of their six-month grace period.

Veterans Benefits

Selected programs at Diamonds Cosmetology College are approved by the Texas Veterans Commission for enrollment of those eligible to receive benefits under Section 3676, Chapters 30 or 32, Title 38. Students who are eligible to receive military benefits should visit the Department of Veterans Affairs at <http://www.benefits.va.gov/benefits> and obtain the authorization document for enrollment.

Covered Individual is any individual who is entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill® benefits.

- Any **covered individual** may attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a “certificate of eligibility” can also include a “Statement of Benefits” obtained from the Department of Veterans Affairs’ (VA) website – e-Benefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:
 1. The date on which payment from VA is made to the institution.
 2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.
- DCC will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other school facilities, or be required to borrow additional funds, on any covered individual because of the individual’s inability to meet his or her financial obligations to the school due to the delayed disbursement funding from VA under chapter 31 or 33.

Eligibility for Education Benefits from the Department of Veterans Affairs

If you served on Active Duty, you might be eligible for education benefits offered by the Department of Veterans Affairs. For example, the Post-9/11 GI Bill® provides financial support for educational and housing expenses to individuals with at least 90 days of aggregate service after September 10, 2001, or individuals discharged with a service-connected disability after 30 days. You must have received an honorable discharge to be eligible.

If you are currently serving in the military, you may be eligible for funding offered through the Department of Defense Tuition Assistance program. Check your eligibility status and the amount for which you qualify with your Service prior to enrolling.

If you are the spouse or child of a service member who is serving on active-duty Title 10 orders in the pay grades of E1-E5, O1-O2, or W1-W2, you may be eligible for financial assistance from the Department of Defense for education, training, and/or the occupational license and credentials necessary for a portable career. If you are the spouse or child of a service member, you may be eligible for transfer of the service member’s Post-9/11 GI Bill® benefits to you.

Maintaining eligibility for DVA funds depends upon a student’s compliance with the V.A. Attendance Policy set forth below in this handbook.

Attendance Policy for VA Students

For Department of Veterans Affairs (DVA) purposes, monitoring of attendance will be subject to the following policy: Students using GI Bill® educational benefits to attend DCBC will have attendance monitored until the time that the student drops, graduates, or completes the program. Unsatisfactory attendance will be reported to the Department of Veterans Affairs (DVA).

The attendance policy (20% of the total program or (5) consecutive days) will apply throughout the VA student’s program. A student who is absent for 20% of the total program or for 5 consecutive days will not be certified to receive VA funds for that month. Monthly evaluations conducted by the Financial Aid office will determine if the student has met these minimum requirements. To maintain an acceptable attendance percentage, students must have an attendance rate of at least 70 %. Attendance will be evaluated according to hours (scheduled and completed) at the end of each month. At the end of each month, the Financial Aid office performs an evaluation to determine if a student has maintained at least an 70 % attendance percentage for that month. If a VA student’s attendance percentage for the month is less than 70 % or if the student missed 5 consecutive school days during that month, he/she will lose certification to receive VA funds. In the event a VA student has not met the attendance requirements for a certain month, he/she can recover previously denied benefits from the VA if he/she increases his/her attendance in the following month(s) to meet the above requirements. All violations of the attendance policy will be reported to the DVA on VA Form 22-1999b within 30 days of the date the VA student exceeds the allowed number of absences.

Cancelation Policy

A full refund will be made to any student who cancels the Enrollment Agreement or contract within 72 hours (until midnight of the third day excluding Sundays, and School Holidays) after the enrollment contract is signed by the prospective student. If tuition is collected in advance of entrance, and if, after expiration of the 72 hours cancellation privilege, the student does not enter College, not more than \$100.00 shall be retained. A full refund will be made if student is not accepted by the College.

Return to Title IV Federal Student Aid

If a student withdraws or is dismissed from Diamonds, the School and/or the student may be required to return a portion of the Federal Student Aid received. The last date of attendance is used to calculate the amount of any federal student aid that must be returned. The amount of Federal Student Aid a student has earned at the time of withdrawal is equal to the percentage of the payment period completed. The percentage of the payment period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

For that payment period, if the number of hours scheduled to complete in the payment period is greater than 60% of the clock hours in the payment period, the student has earned 100% of the Federal Student Aid, no return is due. If the number of clock hours scheduled to complete in the payment period is less than 60% of the clock hours in the payment period, a return of Federal Student Aid may be necessary. The amount of Federal Student Aid to be returned is calculated by subtracting the amount of earned Federal Student Aid from the total amount of Federal Student Aid received.

The student is required to return any unearned Federal Student Aid less the amount returned by Diamonds. If a student needs to return loan funds, the funds are repaid as required by the normal loan repayment phases. If the student is required to return Federal Student Aid, Diamonds will notify the student of the repayment amount within thirty days of determining the student withdrawal. If the student fails to return the grant aid as instructed, the student is considered to be in overpayment and thus ineligible for any additional Federal Student Aid at any school until that amount is repaid to the U.S. Department of Education or satisfactory repayment arrangements are agreed to by the student and the U.S. Department of Education.

Diamonds returns unearned Federal Student Aid within forty-five (45) calendar days of the date the School becomes aware the student is no longer enrolled.

If a student has earned more Federal Student Aid than has been posted to his/her account, the student may be entitled to a post withdrawal disbursement of Federal Student Aid. The post withdrawal disbursement is first used by the School to pay outstanding charges; any remaining amount is offered to the student or parent borrower.

Diamonds will send the borrower a written notice of any loan funds returned to the lender because of the withdrawal calculation. A student borrower who fails to attend in-person exit counseling prior to or at the time of withdrawal will be mailed loan counseling materials. The borrower should complete the exit counseling form and return it to the School.

The Return of Federal Student Aid Policy applies only to the Federal Student Aid Programs. Assistance received from other aid programs will be returned to those programs in accordance with the funding source's refund policies. The Return of Federal Student Aid calculation is performed to determine the amount of Federal Student Aid that must be returned to the U.S. Department of Education. It is not used to calculate the amount of tuition and fees a student will owe the School upon withdrawal. A separate refund policy is provided to assist students in determining the amount of tuition and other charges owed to Diamonds.

If the student has a remaining balance owed to Diamonds after all refund calculations are completed, whether the student withdraws or the School withdraws the student, there may be a 15% interest fee added to the owed remaining balance. Diamonds will send an invoice to withdrawn students if a balance is owed the School. Any balance due will be calculated by determining earned charges using the institutional refund policy, and then subtracting the amount of earned aid as determined using the return to federal student aid policy.

Diamonds Refund Policy

The refund policy applies to all withdrawals and terminations for any reason by either party who signs the enrollment contract. To terminate the enrollment contract, either party must send written notice to the other through the mail or in person. The failure of a student to immediately notify the school in writing of the student's intent to withdraw may delay a refund of tuition to the student policy is as follows:

The following Refund Policy is the same or less strict than the relevant Title IV refund policy and shall apply, after the Return of Title IV Funds calculation has been made, if applicable, to remaining tuition payments once the Student has started actual class attendance. The following refund policy is for all Students, including persons enrolled under provision of Title 38, United States Code (Veterans).

Attendance

Time Clock & Clock Hours

Diamonds is a clock hour institution; therefore, we are required to track students' hours. Student hours are recorded on a time clock each day and recorded in their file monthly. It is the responsibility of students to use the time clock correctly.

Failure to do so may result in loss of clock hours. To receive full clock hour credit, a student must clock IN when beginning the day, when returning from breaks and returning from lunch AND clock OUT when leaving for a break, leaving for lunch and/or ending the day. Students may not clock more than their scheduled hours on any given scheduled Program day, with

DCC School Catalog

the exception of approved field trips, unless prior approval is given by the School Director or designate earning clock hours. Students that are on break or at lunch must be clocked out. Any student found to be not engaging in a learning activity, in the break room or outside the facility while clocked-in or in violation of any part of 16 Texas Administrative Code, Chapter 83.72(i) (1-4), as posted at the time clock, may be subject to corrective action up to and including immediate dismissal from Diamonds. Instructors and/or the School Director (or designate) will notify students of their earned clock hours each month. If students have questions about total time, they should speak with the Financial Aid office

Students are required to attend a minimum of 70% of the scheduled hours to maximize their program, meet SAP requirements and complete the program within the maximum time frame. The school does not add or deduct hours as a penalty. Students unable to attend classes must contact the school a minimum, of one hour before the scheduled start time.

Late Arrival Policy

All students are expected to arrive at the school prior to scheduled start time and be prepared and present in the classroom for the scheduled start of the session. Any student who is not in class at the start of the program is considered late and can be written up on a Corrective Action form or sent home.

Breaks

Each student is required to take a 30-minute lunch and two (2) 15-minute breaks as scheduled throughout that day. Students must be “clocked-out” when taking a lunch or outside of the building for other breaks.

Student Break Areas

No eating or drinking is permitted anywhere in the School other than assigned break areas.

Absence

A student is considered to be absent during any unattended portion of their regular schedule. Any absence will interfere with your learning process. Students must inform the School of any planned absence by contacting the financial aid department prior to the date of the planned absence. In cases of illness, emergency or other unforeseen absence, the student is required to send a Remind app message to the director no later than thirty (30) minutes prior to their program’s scheduled start to notify Diamonds of their absence.

Students absent ten (10) consecutive regularly scheduled Program days without contact will be immediately dismissed from Diamonds on the 11th scheduled day of non-attendance.

Our internal Attendance Policy is defined as 70% or higher of scheduled hours as per enrollment agreement. If a student is in jeopardy of going below 70% attendance, the student will receive a written notice. Students with an attendance percentage below 70% will be placed on advisory (final notice) for the current phase. Students absent ten (10) consecutive regularly scheduled Program days with contact will be immediately dismissed from Diamonds Cosmetology on the 11th scheduled day of nonattendance.

The student withdrawal date for any student that withdraws or is dismissed from Diamonds will be the last date of attendance. Attendance Percentage is calculated by taking the total hours attended divided by the scheduled hours.

Examples:

a)	b)
Hours Attended= 97.88	Hours Attended= 505.57
Absent Hours= 17.90	Absent Hours=37.68
Scheduled Hours= 110.00	Scheduled Hours= 520.00
Attendance Percentage= 88.98%	Attendance Percentage= 97.23%
$97.88/110.00=88.98\%$	$505.57/520.00=97.23\%$

Excused/Unexcused Absences

Absences caused by non-routine medical, legal or military necessity will be excused if acceptable documentation, i.e. date(s) of absence, on letterhead, signed by an official and containing a telephone number for verification, is provided to the administration staff within 3 business day after return from absence. Routine absences such as registering to vote, dental/medical checkups, public agency appointments, etc.; are ***not excusable and should be scheduled for non-school days***.

- Please note: any absences (***whether excused or unexcused***; including UN-scheduled School holidays) utilized by the individual student will extend their original contract date by a like number of hours.
- Students are required to make-up for the lessons and exams, if missed, students are to see their Instructor for makeup tests, exams, and work assignments. Any operational and exam made-up work by the student will not provide credit for hours or operations if not physically performed within the school premises. If the student is absent for ten (10) consecutive scheduled days without contacting the school, the school may withdraw him/her.
- The Director will review excessive tardiness or absences with the student to determine possible corrective action to the issue on hand. Student hours and operations once properly earned by the student will not be taken away from the student records based on disciplinary actions by the school. Clock- in time is rounded to the nearest one fourth hour.

Extra Instructional Charges

We believe the best interests of students are served when they attend School regularly, receive a consistent education, graduate as scheduled and begin timely employment. Therefore, Diamonds will take all persuasive steps within its rightful authority to promote regular student attendance.

- Students with less than 70% cumulative attendance will be advised of probable extra instructional charges.
- The hourly rate for the Cosmetology and Barber Programs is \$11.60 per hour.
- The hourly rate for the Instructor Program is \$6.33 per hour.
- All accrued extra instructional charges are due and payable the day following the End Date of the Student's Enrollment Agreement. The School reserves the right to dismiss and/or withdraw a student from participating in School until all extra instructional charges are paid.

Make Up Work

We place a heavy emphasis on regular attendance. However, if students, due to absenteeism or other factors, are not able to complete assigned work when due, it is the student's responsibility to schedule make-up activities with their Instructor.

- All assignments and tests are required to be completed and handed in on time. If late, a 10-percentage point reduction in grade is made. Students missing examinations with an excused absence (Doctor's note, Jury Duty, Court date), will be permitted to make-up the exam on the regular scheduled test day. See your Instructor for the schedule. It is the student's responsibility to arrange testing time with their Instructor.

Leave of Absence (LOA)

A student may request an emergency leave of absence not to exceed a cumulative total of 180 days in a 12-month period as prescribed by the state of Texas. The student, prior to the start of the LOA must request the leave in writing. This leave is granted at the discretion of the administrative staff. The request for leave must be signed and accompanied by documentation supporting the need for the leave of absence. Such documentation will include an explanation of existing circumstances from a doctor, lawyer, or counselor citing need for the leave of absence. Financial hardship classes will be determined by the financial aid office. A student who has been absent and has been granted a LOA by the College is not considered to have withdrawn from College. The LOA involves no additional charges by the College to the student.

The contract will be automatically extended the length of the LOA (minimum 1 week/maximum 30 days), and the student agrees to re-enter on the designated date. The student will be dropped if they fail to return from the LOA. Circumstances will be considered by the College Director if more time is required. The College's refund policy will be in effect, and any outstanding balance due the College will be due immediately.

Electronic Devices

Diamonds encourages students to use electronic communication devices for educational purposes. These devices include but are not limited to the following: cell phones and other electronic devices. Students may utilize electronic communication devices at School and at School activities when the Instructor deems appropriate for educational purposes. Personal, non-educational use of electronic devices is permitted during breaks or lunch only in designated break areas.

Social Media

Diamonds respects the rights of students and staff to use social media during their personal time. Social media includes all forms of online publishing and discussion, including but not limited to Facebook, Instagram, Twitter, YouTube, file-sharing and user-generated video and audio. Diamonds' students are personally responsible for the content that they publish on social networking sites. Be mindful that what you publish will be public for a long time. Respect your audience. Diamonds does not permit ethnic slurs, personal insults, obscenity, and intimidation, cyber bullying or engaging in conduct that would not be acceptable in Diamonds' facilities on any of our social media sites. Diamonds reserves the right to remove any posts at its discretion and take necessary disciplinary action as appropriate. It is the duty of Diamonds to protect itself from undue harm related to information that is shared on social networking sites.

Physical Demands

Cosmetologists, Barbers, and Instructors can expect to stand for long periods. Since so many of their activities involve the use of arms and hands, professionals should take steps to ensure proper physical conditioning and rest periods. Further, career Cosmetologists, Barbers and Instructors may find it necessary to work long hours, sometimes missing breaks, and meals. It is not unusual for Cosmetologists, Barbers and Instructors to work more than 8 hours a day and/or more than 5 days a week – although these are the exceptions rather than the rule.

Safety Requirements

The importance of Safety and Sanitation cannot be stressed enough. Therefore throughout your program, you will be learning and practicing:

- Disinfecting of individual workstations, individual equipment and tools and proper use and storage of linens.
- Safety including proper use and storage of chemicals, implements and electrical appliances.
- Diseases and disorders of the scalp, hair, skin, and nails.
- First aid as it relates to cosmetology, manicuring, and esthetics.

The first 150 hours of your program will set the groundwork for the craft of hair cutting while here at the college. You will learn about shampooing, draping, brushing, scalp manipulations, conditioning and rinsing. Learning scalp and hair analysis will be important as you move into hair cutting and trimming techniques.

Change Requests

Name Changes

Students who wish to make a name change in their Diamonds record must submit the request in writing and include copies showing the legal name change. Proof of legal name change can be a copy of a driver's license, social security card, marriage certificate, divorce decree, or other legal documents showing the name change.

Address / Phone number changes

Students are asked to notify the Financial Aid Office when any information regarding their address or phone number changes. Notification can be made by submitting a written request to make the changes.

Schedule Changes Students who wish to change their schedule must make their request in writing to the school director, Ms. Morales. After meeting with the student, a determination will be made when the change can be accommodated based on education, schedules, and class availability.

Classroom and Clinic Assignments

Students are required to remain with their Instructor in their classrooms or assigned work areas unless a scheduled lunch or break.

There will be a charge for all services and products provided to clients unless otherwise approved in advance by the School Director (or designate). Stations are assigned at the beginning of each client service, for the duration of that service and may be reassigned at the discretion of School Staff. All equipment and personal belongings must be stored in the student's assigned locker.

Daily sanitation is a part of students' learning program and must be completed each day to the satisfaction of their Instructor before student departs for the day. Students must adhere to all TDLR Health and Safety Standards as outlined in the published rules and regulations. Students may be required to perform additional cleaning and sanitation duties within the establishment to maintain a clean and safe environment for all students, staff, and clients. Those duties may include sweeping, mopping, wiping down surfaces and walls, laundry, and emptying trash containers. Duties may vary by campus and program. Students are responsible for keeping stations, mirrors, lockers, roll-arounds, chairs, clinic, classroom, and public areas in a neat and sanitary condition always. Implements must be sanitized before and after every use. Students must sanitize workstations and remove hair by sweeping before they style.

Equipment and Personal Belongings

Each student is responsible for his or her own equipment, books and personal belongings and is provided a locker or roll-around for storage of these items. Purses, coats, bags, backpacks, and other personal belongings must be kept in a locker or roll-around at all times during School hours. Diamonds is not responsible for lost or stolen items and it is the student's responsibility to replace any missing equipment or supplies at his or her own expense. Students are required to have the equipment they need to complete services and assignments. If a student chooses to take these items home, it is the student's responsibility to bring them back to School. Students who do not come to School with their equipment will not be allowed to attend until they bring their equipment.

Lockers and Roll Arounds

Each student is assigned a locker or roll-around at Program commencement. Students assigned a locker must use a combination lock to secure equipment and personal belongings within their locker and provide the Student Service Coordinator with the lock's combination. Students assigned a roll-around will be provided with a key to secure equipment and personal belongings within their roll-around. Lockers and roll-arounds are for use by current, active students only. Students must remove all belongings from their assigned locker or roll-around immediately upon graduation, termination, or withdrawal from Diamonds. Items found to be stored longer than 30 days since the student's last day of attendance or in unassigned lockers or roll-arounds will be discarded. Lockers and roll-arounds are the property of Diamonds and may be formally inspected at any time. Students are required to organize, clean, and sanitize their lockers and roll-arounds daily. Care must be taken not to mix unsanitary personal belongings (food, money, and clothing) with sanitized implements and equipment. Students who damage lockers and roll-arounds will be required to pay the cost of repairing or replacing the locker or roll-around. Students may not remove School equipment from the School at any time.

Non-Smoking - While on School property students may smoke in designated student outdoor smoking areas only. Smoking is prohibited in the School.

Financial Progress

Students must meet or be current with all financial obligations to Diamonds Cosmetology as specified in their payment plan prior to graduation. It is expected that the student will comply by providing all necessary requested information and/or forms. Also, if monthly payments are budgeted, they are to be submitted on or before the statement due date to maintain satisfactory financial progress. If a student fails to meet his or her financial obligation, he or she will receive a warning. If the financial situation is not satisfied, the student will be dismissed. The student may appeal his or her dismissal and/or request readmission per Diamonds Cosmetology's Appeals Board Policy.

Satisfactory Academic Progress

Students meeting the minimum requirements (70%) for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory At each evaluation point, the attendance for the period will be added to the attendance from the preceding periods to determine whether the student will complete the Program within the maximum time frame established in this policy. Total hours earned beginning the first day of Program commencement and ending the last day of the completed period (phase) divided into the student's scheduled hours beginning the first day of Program commencement and ending the last day of the completed period (phase). Student's Actual Hours Attended ÷ Scheduled Hours = Cumulative % of Attendance

If the student's attendance and/or academics fall below 70%, they will be placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met the attendance and academic requirements, he/she will be dismissed from the program.

If the student withdraws, or other official interruption, the student, upon returning to School, maintains the status as of the time of departure.

Withdrawals and incompletes have no effect upon the School's qualitative Satisfactory Academic Progress standard. All hours attempted within a progress report period are used in assessing if the student meets quantitative Satisfactory Academic Progress standard.

With regard to Satisfactory Academic Progress, a student's transfer hours accepted by Diamonds will be counted as both attempted and earned hours for purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

The intent of Diamonds' Satisfactory Academic Progress Policy (SAP) is to be fair, reasonable, and consistent in effectively evaluating the Student's measurable progress toward successful completion of their Program instructing them to be successful in their chosen career. The policy complies with the guidelines established by the Council on Occupational Education (COE) and the federal regulations established by the United States Department of Education. The training will include attendance, dependability, organizational skills, professional image, conduct, teamwork, and cooperation. Student training is measured and communicated by; 1) Attendance, and 2) Academic Grades.

1. Satisfactory Academic Progress is a requirement for all students enrolled in Diamonds. All students must maintain an academic grade (grade point average) and average cumulative attendance of 70% to be considered making satisfactory academic progress and to complete the scheduled Program within the maximum timeframe.
2. The maximum time a student has to complete is 143% of the Program length. All minimum Program lengths are determined by The Texas Department of Licensing and Regulation

PROGRAM	MAXIMUM TIME	ALLOWED WEEKS	SCHEDULED HOURS
Cosmetology	(Full time, 30 hrs. / wk.)	33 Weeks	1000 hours
Instructor	(Full time, 30 hrs. / wk.)	20 Weeks	500 hours
Barber Class A	(Full time, 30 hrs. / wk.)	33 Weeks	1000 hours
Cosmetology Crossover to Barber	(Full time, 30 hrs. / wk.)	10 Weeks	300

DCC School Catalog

3. The maximum time allowed for transfer students who need less than the full Program requirements will be determined based on 70% of the scheduled hours. Students are evaluated for Satisfactory Academic Progress (SAP) as follows:

a) Cosmetology	500 hours & 16 weeks
b) Instructor	250 hours
c) Barber Class A	500 hours & 16 weeks

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the Program. Evaluations periods are based on actual hours completed.

Extra Instructional Charges

We believe the best interests of students are served when they attend School regularly, receive a consistent education, graduate as scheduled and begin timely employment. Therefore, Diamonds will take all persuasive steps within its rightful authority to promote regular student attendance.

- Students with less than 70% cumulative attendance will be advised of probable extra instructional charges.
- The hourly rate for the Cosmetology and Barber Programs is \$11.60 per hour.
- The hourly rate for the Instructor Program is \$6.33 per hour.
- All accrued extra instructional charges are due and payable the day following the End Date of the Student's Enrollment Agreement. The School reserves the right to dismiss and/or withdraw a student from participating in School until all extra instructional charges are paid.

Make Up Work

We place a heavy emphasis on regular attendance. However, if students, due to absenteeism or other factors, are not able to complete assigned work when due, it is the student's responsibility to schedule make-up activities with their Instructor.

- All assignments and tests are required to be completed and handed in on time. If late, a 10-percentage point reduction in grade is made.

Students missing examinations with an excused absence (Doctor's note, Jury Duty, Court date), will be permitted to make-up the exam on the regular scheduled test day. See your Instructor for the schedule. It is the student's responsibility to arrange testing time with their Instructor.

Students receiving Title IV Financial Aid and SAP

If a student does not meet Satisfactory Academy Progress at the evaluation period check points, they will be provided with one of the following notices:

- A Financial Aid Warning letter
- A Financial Aid Suspension letter
- A Financial Aid Probation Letter (if the student's appeal for Financial Aid suspension is approved).

Financial Aid Warning

Students failing to meet requirements for attendance or academic progress at any evaluation period checkpoint will be placed on Financial Aid Warning until the end of the next scheduled evaluation point. During the Financial Warning period, students are considered to be making Satisfactory Academic Progress and students who receive federal funds may continue to be funded. If the student is meeting minimum requirements at the end of the Financial Aid Warning period, the student will be determined as making Satisfactory Academic Progress. If the student fails to meet requirements at the end of the Financial Aid Warning period, **the student will be suspended from receiving Title IV funds**, unless the students appeal the finding that they are not meeting the Satisfactory Academic Policy and prevails on the appeal. A student cannot have successive periods of Financial Aid Warning status.

Financial Aid Suspension

Students that are determined not to be making Satisfactory Academic Progress at an evaluation period checkpoint following an evaluation period in which they were in Financial Aid Warning status, will have their Financial Aid suspended. The student will be ineligible to receive any Title IV Financial Aid that was to be credited to their account for tuition or any other school charges, or that was to be disbursed to the student for education related living expenses. The suspension will be imposed until the next evaluation period checkpoint, **unless the student appeals the suspension**, and the appeal is approved by the school.

Appeal Policy

If a student is determined NOT to be making Satisfactory Academic Progress at the end of the Financial Aid Warning period (the next evaluation period checkpoint) the student may appeal the negative determination. The appeal must be based on the following: The death of a relative, an injury or illness of the student, or other special circumstances. The Student must submit his/her written appeal notice to the school administration with supporting documentation including reasons why the determination should be reversed, and what has changed in the student's situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation period checkpoint. The written appeal will be reviewed within 5 business days by the school administration and the student will be notified of the results in writing. The results of the appeal review are final and not appealable. After the appeal is reviewed by the school, the appeal will either be denied or approved. If denied, the student will be put on Financial Aid Suspension status as stated above. If the student's appeal is approved by the school, the **student will be placed on Financial Aid Probation** as stated below. A copy of the appeal documents along with the appeal determination record will be maintained in the student's file.

Financial Aid Probation

If the student prevails on their appeal, the student will be placed on Financial Aid **Probation** and will be considered making Satisfactory Academic Progress until the end of the next evaluation period. The school will only allow the status of Financial Aid Probation for students who are not considered meeting the minimum standards for Satisfactory Academic Progress, if the school determines that the student could actually meet the required standards by the end of the next evaluation period.

Students cannot have successive periods of Financial Aid Probation status. A student may have only **one** Financial Aid Probation during the student's enrollment at Diamonds Cosmetology College. As the student's first possible probation status would be at the end of the student's second evaluation period, the next point at which the student could possibly not be making satisfactory academic progress and appeal, would be the student's third and final evaluation period checkpoint. An appeal approval at the third evaluation checkpoint would mean the student would have back-to-back probations at the second and third evaluation checkpoints which is NOT allowed.

Re-Establishment of Status

A student determined NOT to be making Satisfactory Academic Progress at any evaluation period checkpoint may re-establish Satisfactory Academic Progress by:

- Making up missed tests and assignments and increasing cumulative grade point average to a minimum of 70% and increasing cumulative attendance to a minimum of 70%.

Reinstatement of Financial Aid

Title IV aid will be reinstated to students who have prevailed upon appeal regarding the status of Satisfactory Academic Progress or who have reestablished Satisfactory Academic Progress

Corrective Action Policy

Our goal is to provide clear direction and feedback on your performance. When you choose to perform or behave outside of the school policies and guidelines, corrective action will be taken. A student may be provided a written warning for any infraction of the Professional Guidelines.

Diamonds strongly encourages any person who wishes to make a complaint under this policy to bring that complaint directly to Diamonds' Title IX Coordinator. However, a student may also bring such a complaint to an Admission Representative, Instructor, School Director, or staff member with whom he or she is comfortable. Likewise, an employee may bring such a complaint to their immediate supervisor, or another manager. In each case, the complainant should understand that the complaint will be forwarded to the Title IX Coordinator.

If you believe you have been sexually assaulted, your first priority should be to get to a place of safety. Diamonds strongly advocates that a victim of sexual assault report the incident in a timely manner. Student Records

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. It affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

- The right to inspect and review the student's education records within 45 days after the day the institute receives a request for access. The student should submit to the Student Services Manager, a written request that identifies the record(s) the student wishes to inspect. The Student Services Manager will then make arrangements for access and notify the student of the time and place where the records may be inspected.
- The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the institute to amend a record should write to the Director, identify the part of the record that the student wants changed, and specify why it should be changed. If the Director decides not to amend the record as requested, the institute will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to provide written consent before the institute discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The institute requires written consent from the student and parents or guardians of dependent minors (each time) before releasing any student information in response to a third-party request, unless otherwise required by law. The institute discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the institute in an administrative, supervisory, academic, research, or support staff position (including law

A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibilities for the institute.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institute to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

Student Resources

Student Advising and Counseling

Diamonds’ staff makes reasonable effort to maintain close communication with all students. Students have access to Faculty and Administrative Staff for both career and academic advising. Students experiencing personal problems that require professional help will be referred to the appropriate agency(s) or organization(s). Individual advising occurs periodically throughout the Program. These sessions help Instructors determine student progress and identify those students who may require additional assistance. Problems not resolved in Instructor-student sessions may be referred to the School Director. Students are encouraged to seek help whenever it is needed.

Formal academic advisement occurs when Grade Reports are issued. At any time, between Grade Reports, students may be formally advised; and all advisements are confidential. Whenever any staff member advises a student, the proceedings of that advisement are documented. All students will receive on-going, informal daily advisement in the areas of behavior, attitude, attendance, respect, cooperation, image, pride and professionalism. When a student’s problems are beyond staff capability, the student will be referred to the appropriate professional.

Career Services

Diamonds' Director, Ms. Morales plays a key role in helping students achieve their goals. She has been in the local cosmetology field as a salon owner, instructor, and school owner. She strives to connect our graduates with others in the beauty field to build strong relationships and create career opportunities.

Employer Relations

Ms. Morales maintains a working relationship with employers to promote and enhance the visibility and effectiveness of Diamonds which enhances employment opportunities for our students.

Graduate Employment Assistance

While the College cannot guarantee employment for graduates, assistance in finding suitable employment is provided by posting area job openings. Students also receive training regarding professionalism, portfolio and resume development, the application process, effective interview skills, and job search skills. The school encourages qualified students to obtain salon sponsors to mentor them throughout their program. This is an excellent opportunity for the student to obtain professional salon exposure, secure future employment and make the transition from school to work with ease.

Rights Reserved

Diamonds reserves the right to add or withdraw any Program and to make changes in curriculum, tuition, regulation, or any other published information as conditions warrant.

A federal statute that was signed into law by [U.S. President George W. Bush](#) on July 27, 2006. The Walsh Act mandates that offenders update their whereabouts with lifetime registration requirements. Failure to register and update information is a [felony](#) under the law. States are required to publicly disclose information of offenders. The Act also creates a national [sex offender registry](#) and instructs each state and territory to apply identical criteria for posting offender data on the internet (i.e., offender's name, address, date of birth, place of employment, photograph, etc.).^[3] The Act was named after [Adam Walsh](#), an American boy who was abducted from a Florida [shopping mall](#) and later found murdered.

NSOPW.com (the US Department of Justice) is one site you can check by zip code to see a listing of all sex offenders in your area.

Student Responsibilities

Time is a critical factor for evidence collection and preservation for the proof of a criminal offense. An assault should be reported directly to local police and/or Director. Upon request, Director will assist victims in reporting incidents of sexual assault to local police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Diamonds seeks to handle each complaint and investigation with professionalism and discretion. A fair and effective investigation often requires that the details of the complaint and/or the identity of the complainant be shared with those individuals involved in and/or interviewed in the investigation. Such individuals will, however, be expected to maintain the confidentiality of the matter to the extent possible. You can obtain information about rape awareness and prevention, victim support, counseling and mental health from the Rape, Abuse, and Incest National Network, at 1-800-656-HOPE (4673) or their website: <http://www.rainn.org>. Diamonds does not offer on-campus counseling services. In the event a student has been apprehended for the violation of a law in the community, state or nation, the School will not request nor agree to special consideration for that individual because of his or her status as a student. The School will cooperate fully with law enforcement and other agencies in the enforcement of the law.

Student Concerns/Complaints & Grievance

Students are always encouraged to communicate their concerns to members of the Faculty and administration. Suggestions concerns or complaints should be registered privately, never with fellow students or clients.
